方案规划

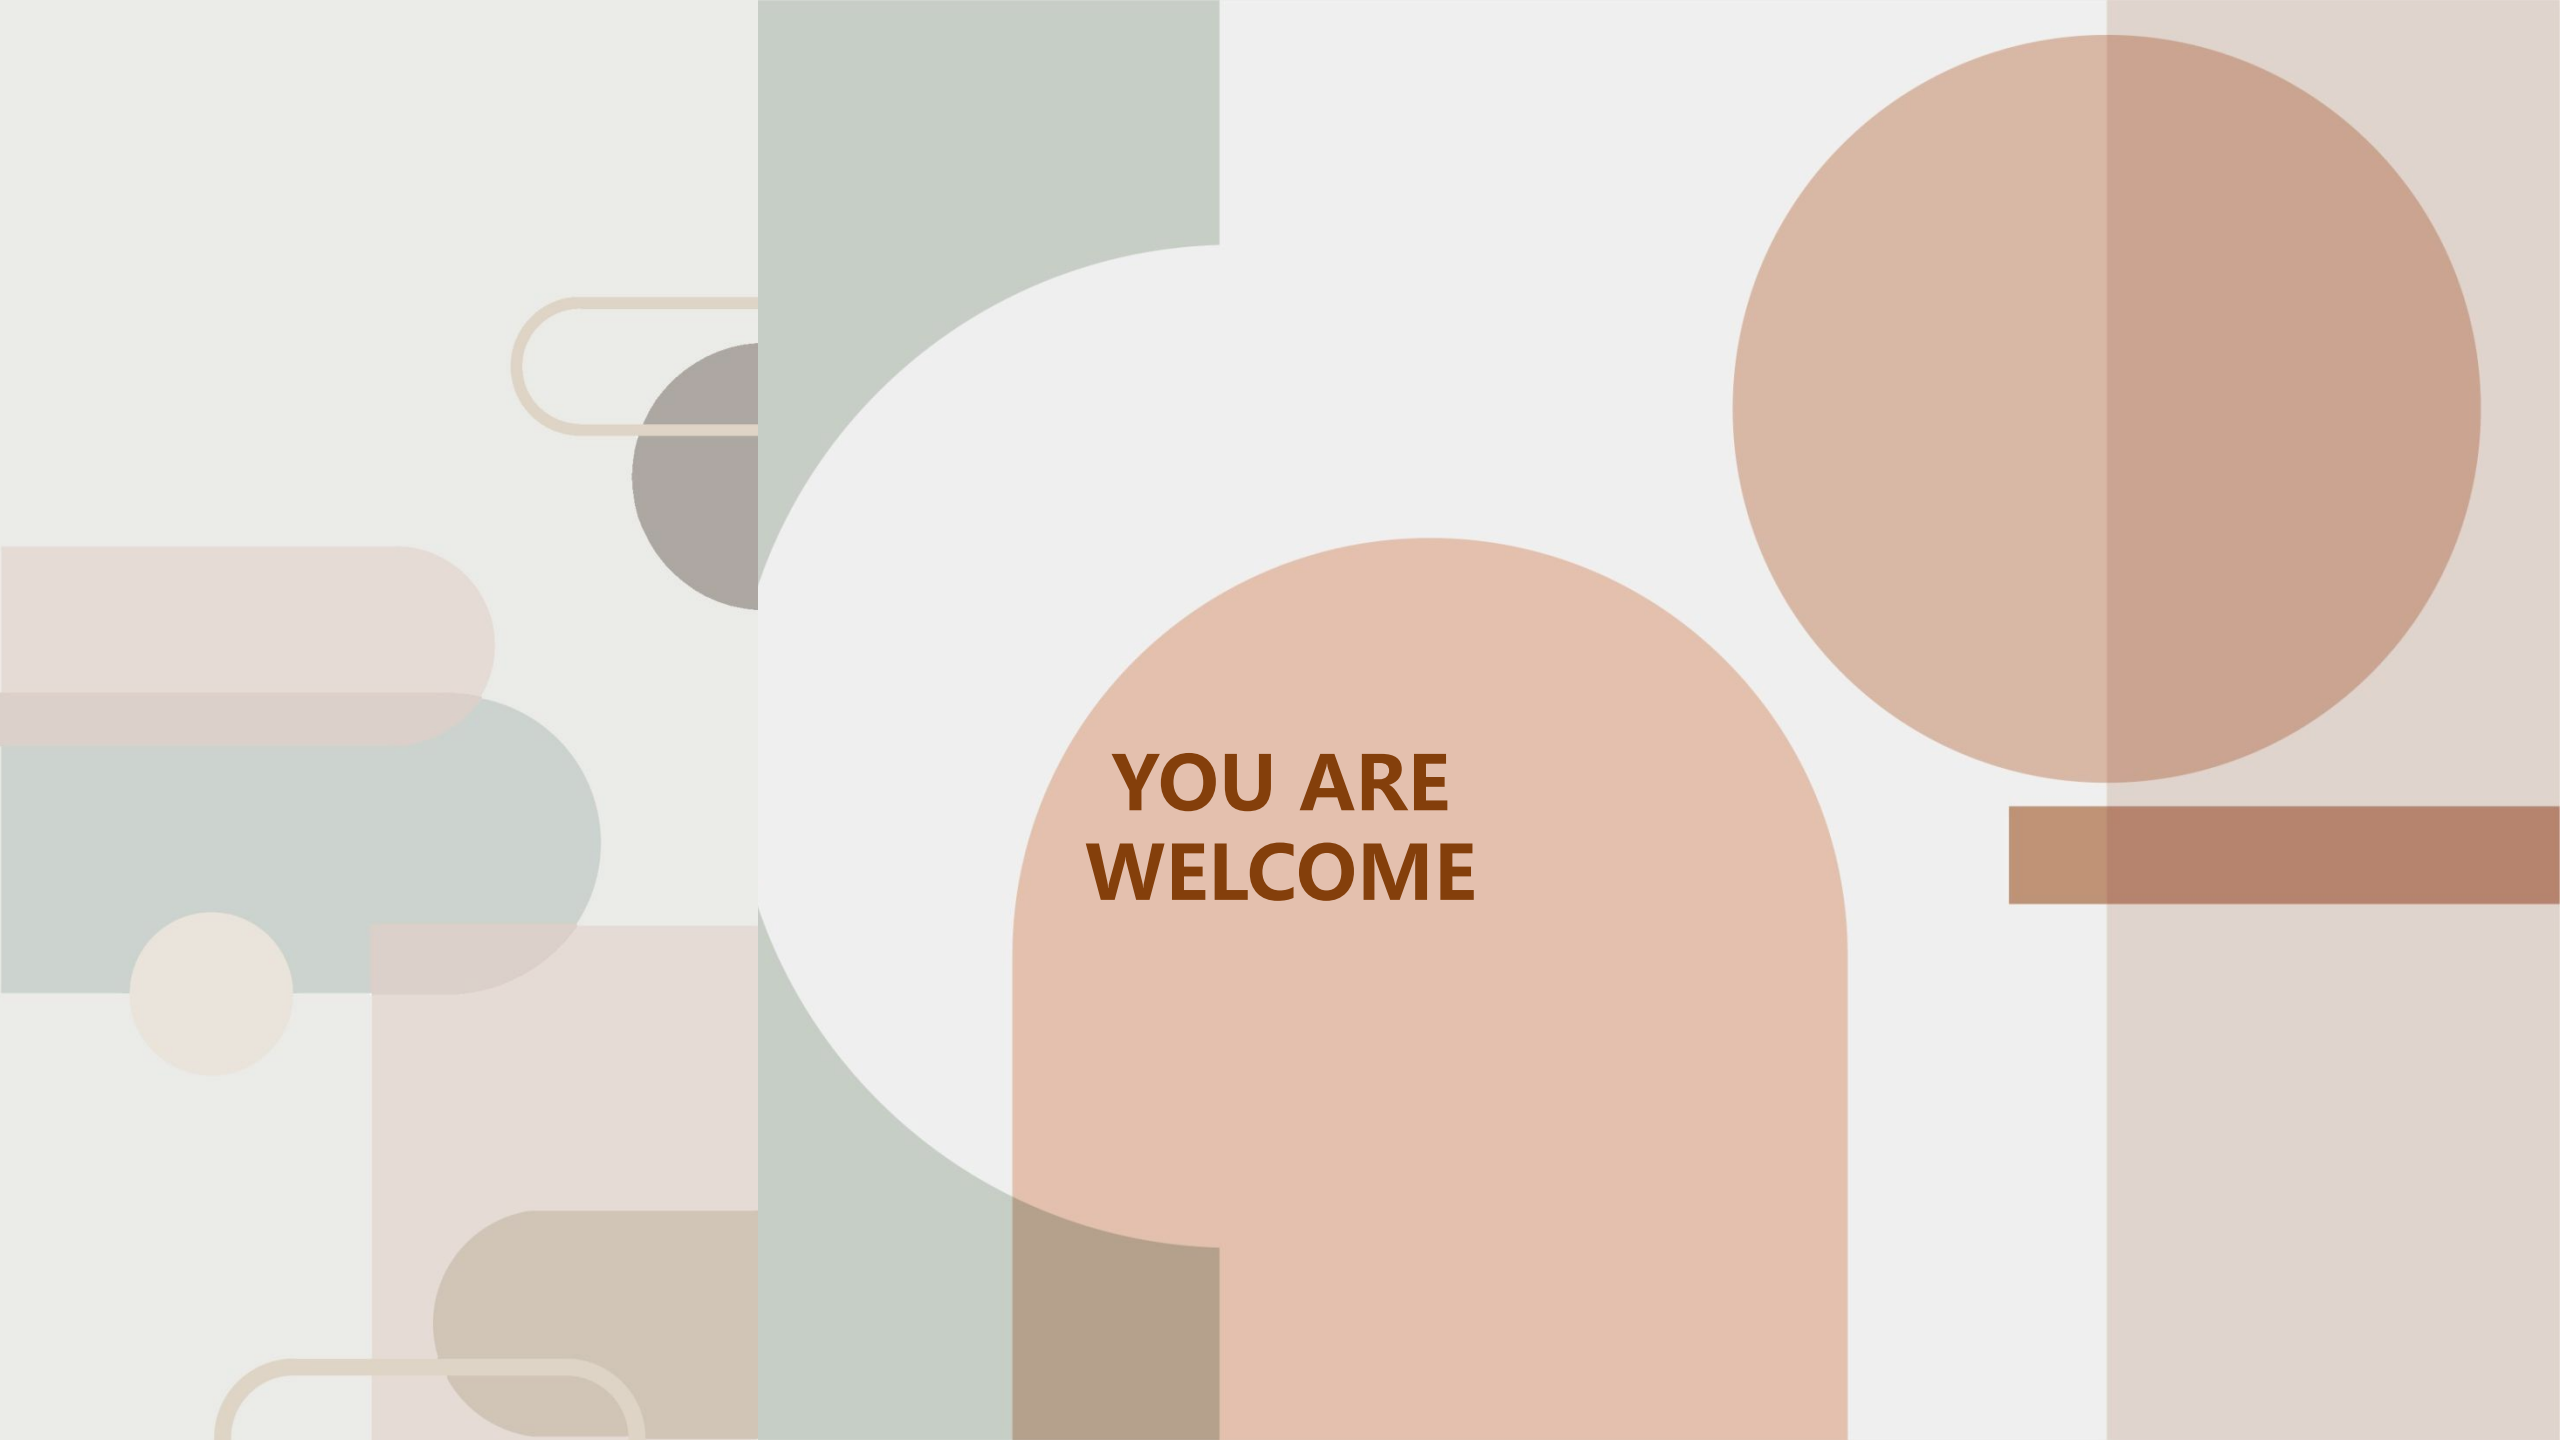

The background is a composition of various geometric shapes including circles, rectangles, and rounded rectangles. The colors are muted and earthy, featuring shades of sage green, dusty rose, taupe, and light beige. Some shapes are solid, while others are outlined or semi-transparent, creating a layered effect. A large, light-colored circle is positioned in the center-left, partially overlapping a large, solid dusty rose circle. To the right, there is a large circle divided vertically into two halves of different shades of brown. Below it, a horizontal bar of a darker brown color spans across the right side. The overall aesthetic is modern and minimalist.
